Small Group Discussion notes

One of the definitions of *steward* is to *manage or look after (another's property)*. *What things are you a steward over? For whom do you steward those things?*

1. Read Psalm 24:1. Is this something you think about on a regular basis? Why or why not?
2. Read Psalm 50: 9-12. Does God need anything from us? Why or why not? Is there anything you can give God that He doesn't already have?
3. When are you most likely to remember God; when things are going well or when things aren't going as well? Read Deuteronomy 8:10-18. This passage says some interesting things about failing to remember God. When might we be most likely to forget God? Why do you think that is?
4. In the Deuteronomy passage, does verse 17 sound familiar? Do you ever feel this way? Do you think our culture believes this; why or why not? Verses 1-2 & 8, however, urge us to remember God's role. Do you think this would be a good habit for us to develop? Why or why not?
5. How could more reflection on God as the source (creator and giver) of all things influence your life? Do you think anything related to stewardship needs to change in your life?

Abide/ Bless/ Love: How might remembering that everything we have belongs to God prompt you to use your resources to bless others?
